Parsa Poosti - Resume

Email: parsapoosti@gmail.com   GitHub: github.com/parsij   Site: https://parsij.github.io

SUMMARY

Python-focused developer building APIs, automation, and data tools.

EXPERIENCE

Freelance Developer, Remote (2023-Present)

- Built FastAPI services with JWT, background tasks, and rate limiting.
- Automated data pipelines using Pandas and SQL.
- Delivered CLI tools for bulk image processing and PDF generation.

PROJECTS

FastImage Pipeline - asyncio image jobs; 3x throughput over baseline.

API Boilerplate - FastAPI starter with tests and CI.

Portfolio Engine - static site with live theming.

SKILLS

Python, FastAPI, Flask, Django, SQL, Pandas, Docker, Git, CI/CD, TypeScript basics, REST, WebSockets.

EDUCATION

Self-directed study focused on Python and backend systems.
